

## Run #6: 1.5K

Bluebird Beach to Rotary Beach via the Hotels

September 29, 2019

# Run #6: 1.5K

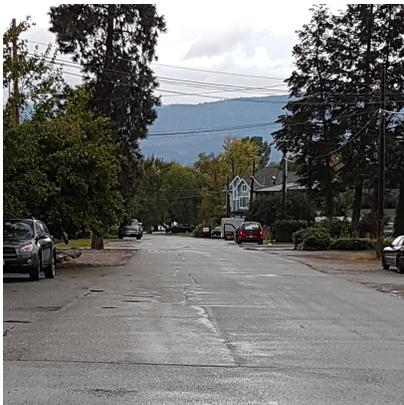

## Bluebird Beach to Rotary Beach via the Hotels

### Course Description.

This run begins at Bluebird Park beach, after the completion of Swim #4 from COSBA. Once over the sand, the grassy area and a gravel parking lot<sup>1</sup>, the run turns left on Lakeshore for about 50m before turning left again down Bluebird Road<sup>2</sup>. At the end of

1. The first section of the run from Bluebird Beach.

2. Bluebird Road to Mission Creek

this road, the road barriers<sup>3</sup> mark the entrance of Mission Creek<sup>4</sup>, which can be waded or swum through—as done in run leg 4.

3. Above, the barriers next to Mission Creek.

4. Right, the Mission Creek crossing to Capozzi Road.

On the other side of Mission Creek, the run continues down Capozzi Road to its

end<sup>5</sup>, where a short trail next to a concrete wall connects to the Eldorado parking lot<sup>6</sup>. From there, a turn left proceeds across the boat ramp area<sup>7</sup> to the beginning of the Eldorado and

5. Capozzi Road to the Eldorado Hotel.

6. Trail from Capozzi Road to the Eldorado Boat launch area.

7. The boat ramp area to the boardwalk. 8. The Eldorado boardwalk entrance. 9. The right to public access to the boardwalk.

Manteo boardwalks<sup>8</sup>, which can be used by the public through an agreement with the City of Kelowna<sup>9</sup>.

The boardwalk<sup>10</sup> has a few turns over about a 300 meter distance, before crossing a wooden bridge<sup>11</sup> and joining a gravel pathway to the left<sup>12</sup>, which winds around a newer part of the Manteo Hotel to return Rotary Beach<sup>13</sup>. At Rotary Beach, there is again an Aid Station where water, electrolyte drinks, and (optional) needs bags will be set up. This run ends just after this Aid Station at the beach where Swim #5 begins. **Total distance this run: 1.5K.**
