Run #5: 0.9K

Gyro Beach (North End) to Cedar Ave. Beach Access.

Course Description.

1. The first section of the run from the south end of Gyro Beach.

This run begins at the north end of Gyro Beach, at the end of the Gyro Swim Loop. After a short scramble over sand, grass, and then the north end of the paving stone promenade,¹ competitors exit the park onto Watt Road² next to the parking lot. From there, the run follows Watt Road for about 350m, before it continues with a right turn onto Walnut Street. Which curls to the left before it reaches its end at Cedar Ave. A quick turn left accesses a small rocky beach.

2. Walkway to Watt Road

Total distance: 0.9K.
